

Chiara Mansi

PhD candidate - Remote and proximal sensing monitoring of Protected Areas

Master in forestry science

Project manager

About Me

I am Chiara, a nature enthusiast. I believe in a future built on sustainable development and in living in harmony with nature, and I want to do my part as a young researcher. With a background in forestry, I investigate ecosystem dynamics using remote and proximal sensing techniques. My aim is to study their resilience to climate change.

Hard skill

- GIS softwares: QGIS, Google Earth Engine, R Studio, Visual Studio Code, Conda
- Microsoft office suite, Google workspace
- Moodle (H5P), Canva

Experience

PhD candidate

Department of Ecological and Biological Science - University of Tuscia (UNITUS)

November 2024 - present

PhD project: Monitoring and Evaluation of Management Effectiveness in Protected Areas through remote and proximal sensing

Guest Researcher

Institute of Geomatic - Universität für Bodenkultur Wien

May 2026 - August 2026

Professional Agronomist and Forester, National Register

January 2025

Guest Researcher

Institute of Geographical Sciences - Freie Universität Berlin

April 2025 - September 2025

Scholarship "Communicating the EU Biodiversity Strategy"

Department of Ecological and Biological Science - UNITUS

August 2024 - October 2024

Research fellowship: "Study of the 3D Structure of Forest TREE - D"

Department of Ecological and Biological Science - UNITUS

August 2023 - July 2024

Scholarship: "Study of Scientific Research Funding Tools in Europe"

Department of Ecological and Biological Science - UNITUS

July 2022 - July 2023

Traineeship (virtual mobility)

Departamentos Ciencias Integradas - Universidad de Huelva

July 2022 - July 2023

Traineeship (CNA course)

Farmhouse Mauro Iob & Caritas vegetable garde

Tutor

Department of of Agriculture, Forestry and Soil Sciences - UNITUS

April 2020 - May 2021

March 2017 - December 2017

Soft skills

I put passion into everything I do. I am a persistent, and determined person. I enjoy cooperating and working in teams, where, if it needed, I can also take on a leadership role thank to my strong problem-solving skills (such as when I work as project manager). I have I have a sunny, outgoing, creative, and dynamic personality. Autonomous, patient, goal-oriented with adaptability, concentration, and organizational abilities

Volunteering

- 2024 - present

"Ortisti Storici Cura Valle Fontana"
Association - founding member,
technician and project manager
<https://sites.google.com/view/osc-valle-fontana/home-page?authuser=0>

- 2022 - present

WWF member

Driving License – Category B

Open Category Drone Pilot License (EU)

Education

BESTNATURE Field Week (6 ECTS)

July - September 2025

Monitoring biodiversity using novel techniques (Mobile Laser Scanner and soundscape)

Certificate of Attendance - Interdisciplinary Summer School on Precision Forestry Using LiDAR Technology 2025 - 3DForEcoTech Cost Action

July 2025

Terrestrial Laser Scanner (TLS)

State Examination for Professional Agronomist and Professional Forester

November 2024

85/100

Master degree in Forestry Science

University of Tuscia

March 2021

110/110 with Laude

Certificate in Social and Multifunctional Agriculture

Italian Confederation of Craft Trades and Small- and Medium-Sized Enterprises (CNA)

July 2020 - July 2021

Project management for regional, national, and European funding access.

Certificate of Attendance - LIFE GO PRO FOR (theoretical and practical course)

April 2021 - May 2021

Martelloscope and IBP (Potential Biodiversity Index)

Certificate of Attendance - beekeeper course

Association of Beekeepers of Lazio - ALPA

January 2021 - April 2021

Statement of Achievement 'PCAP: Programming Essentials in Python

Python Institute

March 2020 - February 2021

Teaching habilitation (24 ECTS)

University of Tuscia

January 2020 - July 2020

Anthropology, Pedagogy, Psychology: 26/30

Certificate of attendance:

- Grafting Techniques in Fruit and Vegetable Cultivation
- Drip Irrigation and Use of H2OCAD Software (for designing and sizing irrigation systems based on flow rate)
- Hazelnut Pruning
- Theoretical and Practical Courses on the Identification of Wild Epigeal Fruits

University of Tuscia

2018 - 2020

Completion of Occupational Safety Certificates A, B, and C, with Module B specific to ATECO Sector 1 (to be renewed)

Bachelor degree in Forestry Science

University of Tuscia

November 2016

110/110 with Laude

Erasmus

Universidad de Huelva

February 2014 - July 2014

Exams: Silviculture, pathology and entomology

One-day courses: aquaponic project, identification of iberian wildlife tracks

Degree in classical studies

High School Seneca

July 2012

80/100
